

Terms and Conditions

Only qualified physicians can participate in the Reckitt Benckiser Pharmaceuticals Inc. (RBP) Physician Locator. To qualify, a physician must, based on data available to the company:

- Have a medical license, active and in good standing;
- Have a unique identifier (ie, X-DEA number), which is active and in good standing, from the Drug Enforcement Administration (DEA) that indicates he/she is waived per the Drug Addiction Treatment Act of 2000 (DATA 2000);
- Be in compliance and continue to comply with DATA 2000 and its implementing regulations; and
- Have reviewed the program Terms and Conditions and opted to participate in writing

All eligible physicians are invited to participate in the RBP Physician Locator.

1. There is no fee for participation in or use of the RBP Physician Locator.
2. Participation in the RBP Physician Locator does not impose any requirements on the manner in which the participating physician provides services to a referred person. RBP does not track prescription volume or value based on referrals through the RBP Physician Locator.
3. Each participant must agree to the Terms and Conditions for participation.
4. RBP reserves the right to remove a physician from the RBP Physician Locator if:
 - The physician's contact information is no longer valid and the company is unable to update it;
 - The physician's DATA waiver or medical license is suspended, revoked, or restricted in some manner, or the physician is not allowed to participate in federal or state healthcare programs;
 - The physician is arrested or under investigation by law enforcement based on publicly available information, direct observation by RBP employees, or based on a report from law enforcement;
 - RBP has determined, pursuant to company process memorialized in a policy, that:
 - The prescriber is not in compliance with DATA 2000 and its implementing regulations
 - Prescribing data available to the company indicate a pattern of physician prescribing our product that exceeds the doses recommended in the current product labeling
 - Prescribing information available to the company indicates a pattern of co-prescribing of benzodiazepines with our product that is not aligned to the cautionary measures in the current product labeling
 - If possible, RBP will notify the physician prior to removal from the RBP Physician Locator
5. Physicians who wish to participate must sign an agreement choosing to opt-in to the RBP Physician Locator by submitting a signed Physician New Listing/Opt-In form. The form may be found at suboxone.com/hcp
6. Physicians may opt-out of the RBP Physician Locator at any time by submitting a signed Physician Change Request/Opt-Out form. The form may be found at suboxone.com/hcp
7. To keep the RBP Physician Locator information as current as possible, physicians should provide notice of any changes in their contact information by submitting a signed Physician Change Request/Opt-Out form.

Please email completed forms to Forms@EnrollmentProfile.com or fax to 1-855-874-2167

8. Participation in the RBP Physician Locator is not an endorsement or recommendation of the physician by RBP, and physicians agree not to make any such claims or representations.

Physicians may choose from among the following options to indicate how their contact information is communicated to patients:

- Physicians can allow their contact information to be posted to websites owned and controlled by RBP*
- Physicians can allow their contact information to be provided to patients by the RBP Physician Locator Call Center**
- Physicians can allow their contact information to be posted to RBP websites **AND** have their information provided to patients by the RBP Physician Locator Call Center
- Physicians who choose to receive referrals from the RBP Physician Locator Call Center may specify whether or not they wish to have calls transferred directly to their office during normal business hours

* Criteria for referring patients from the website: Search results are served up randomly per state or per zip code.

All searches may be sorted by city, alphabetically, or by distance from zip code center (or "near me" if using mobile website).

** Criteria for referring patients from the RBP Physician Locator Call Center: Physician results are served up by caller's location, and the caller then chooses from among the results.

Requirements for participation and use will be disclosed to all participants.
